My submission is:

(Include details and reasons for your position)

The property 62 Albert Street, Kawakawa legally described as Section 126 Block XVI Kawakawa Survey District should be zoned General Residential not Māori Purpose. This is because the property is NOT Māori land and is in general freehold title.

We believe that this has occurred due to a GIS error. The adjoining sites are all proposed to be zoned General Residential.

Please find attached the relevant record of title.

I seek the following decision from the Council:

(Give precise details. If seeking amendments, how would you like to see the provision amended?)

Zone 62 Albert Street, Kawakawa General Residential and update maps accordingly.
