Submission:

I express my support for the proposed Rural Residential zone surrounding Waipapa in the proposed Draft District Plan.

I endorse the new Rural Residential zoning, especially on the north side of Waipapa between State Highway 10 and Waipapa stream (near Pungaere Rd).

Waipapa is a growing area with a strong economy and appeal – sustainable progress is critical to maintaining positive communities. As the Waipapa economy continues to create employment and training opportunities, family wellbeing needs to remain a top priority.

Increasing the number of residents within close proximity and walking distance of Waipapa retail and businesses is positive for the community as it will:

- Reduce council infrastructure expenses (creating better economies of scale)
- Support the community to buy locally
- Reduce carbon emissions with less cars and shorter travel distances
- Reduce traffic congestion and parking problems
- Enable people to work and live in the same area
- Support healthy physical and mental health by promoting exercise.

Relief sought

Approval the suggested rural residential zoning around Waipapa. **S10.001**
