(please provide details including the reference number of the specific provision you are submitting on)

RPROZ-R19 Minor Residential Unit

(please tick relevant box)

My submission is:

(Include details and reasons for your position)

I support the rule but consider the separation distance of 15m too restrictive. It should be 30m in order to provide for adequate space to accommodate shared gardening/landscaping, and driveway turning and manoeuvring areas. Neither should non compliance with CON-4 result in non complying status. In terms of effects I would consider it similar to access (CON-3).

To have to have at least 1ha of land is also overly restrictive noting the number of lots already in the zone less than 1ha in area.

I seek the following decision from the Council:

(Give precise details. If seeking amendments, how would you like to see the provision amended?)

Amend RPROZ-R19 CON-4 to read:

The separation distance between the minor residential unit and the principal residential unit does not exceed 30m.

S105.001

Amend CON-2 to read:

The site area per minor residential unit is at least 5000m². S105.002

Amend activity status column to read: S105.003

Activity status where compliance not achieved with CON-3 and/or CON-4: Discretionary;

Activity status where compliance not achieved with CON-1, CON-2, and/or CON-5: non complying.

If others make a similar submission, I will consider presenting a joint case with them at a hearing
