Mr Roger Ackers

I have ~~not~~ recieved a letter which identifies my property 3 Matarau Rd Awarui as being partially or entirely within plan variation 1. I have viewed the map at the library which my property is however there is no demarkation lines and there is no information to the context of what this as a change means.

I require 100% of the information of what is the proposal, where some or all of my land is affected and a full explanation of what this means in full context. Not just a letterhead with a pronoun of change assigned.

I give no consent whatsoever to change anything without consultation and a detailed explanation of exactly how this affects my land.
