My submission is:

(Include details and reasons for your position)

S602.001

This property has been owned by my family for nearly 100 years. Over this time there has been no significant increase in the sea level nor has flooding occurred of any significance. The property is on an inlet and is not exposed to extreme storm impact. I believe the proposed layers are over exaggerated + should be revised.

I seek the following decision from the Council:

(Give precise details. If seeking amendments, how would you like to see the provision amended?)

For submissions on planning maps, if you are making a submission on a specific property, please include reference to the property address or legal description)

Significantly reduce proposed layers.

I **wish** to be heard in support of my submission
 I **do not wish** to be heard in support of my submission
