National policy statements and New Zealand Coastal Policy Statement

National policy statements (NPSs) and the New Zealand Coastal Policy Statement (NZCPS) form part of the RMA policy framework and are prepared by central government. NPSs and the NZCPS contain objectives, policies and methods that must be given effect to by policy statements and plans. NPSs and the NZCPS must also be given regard to by consent authorities when making decisions on resource consent applications, alongside other considerations.

The following table provides an overview of whether any relevant review/s of the Far North District Plan has been undertaken in relation to NPSs and the NZCPS.
