

# FNDC, Community Facilities Services Procurement Briefing for Elected Members

**Where:** Council Chambers, FNDC, Kaikohe or virtual / Teams link

**When:** Thursday 22 February 2024 3pm – 5pm.

## Purpose of briefing / workshop:

To present to Elected Members:

- The aim of the new Contract and how is that different to now.
- The process we have followed to get there (briefly).
- A summary of responses received.
- The outcome of the evaluation process and the recommendation of the evaluation team.
- The impact of the new Contract on our communities.

## Overview

The current Community Facilities Services Maintenance Contract expires 30 June 2024.

The current arrangements have been reviewed with the outcome being to procure a new Contract split into the three Far North Wards, the key aim of this being to provide opportunity for local community involvement.

## The process

As background, the stages and timeline for the review of current arrangements through to a new Contract due to start 1 July 2024 is provided below:
