My submission is:

(Include details and reasons for your position)

There are many old titles that have never been subdivided in less developed areas, such as Hokianga. There are also legitimate reasons why a new title smaller than 8ha is required. These include a farming family wishing to dispose of a surplus dwelling, or to provide a building site for a family member, or to provide their own retirement home. A 4000m² site would normally be sufficient for these purposes. Subdividing an 8ha site, to avoid considerable costs incurred by a non-complying application, would surely conflict with the objectives of the zone by reducing the balance area of the farm unit.

I seek the following decision from the Council:

(Give precise details. If seeking amendments, how would you like to see the provision amended?)

Make allowance, as a Discretionary Activity for the Rural **S373.001** Production zone, for the creation of one new allotment from a title that has not been subdivided since 28 April 2000.
