Good morning,

On behalf of our clients NZ ECO Farms Ltd (S456), we confirm that we will not be presenting evidence at the Rural Zone hearings on behalf of our clients. Rather, we request that the commissioners adopt this submission and the supporting recommendation in the following section of FNDC's Rural Zone s42A report:

- **Rural Wide Issues and the Rural Production Zone s42A report, pages 90-143** – That the proposed definition for Highly Productive Land is amended to reflect to the definition set out in the National Policy Statement for Highly Productive Land.

If the commissioners have any questions in relation to the above submission points, please feel free to ask.

Kind regards

Joe Henehan
Associate
